**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Say NO to price hikes that will increase the cost of internet and telephone services.

Comcast should not be allowed to have a monopoly - they are a greedy organization and don't value customer service or support.

As a consumer and customer I want to have the right to choose who and where I am getting my internet and phone services from.

I don't want to be pigeonholed and forced into bad service because it is the ONLY option available to me.
